AMOS TRANSPORTATION, LLC PROPOSAL FOR SERVICES

This document is intended to formally introduce Amos Transportation, LLC company and the services that it offers. We are confident after reviewing our proposal you will understand the benefits of partnering with our transportation company.

OVERVIEW

We realize how important it is to have safe and reliable transportation. In today's society sometimes, we find it difficult to know who we can trust and rely on for exceptional services.

Amos Transportation LLC is certified by the state of Maryland Public Service Commission. Our rates compare to Uber and Lyft. Our mission is to provide safe and reliable transportation by utilizing quality and trained personnel.

We recognize and accept our responsibility to the communities we serve through personal involvement. We also support the mobility/paratransit community, (those who are not able to ride fixed-route public transportation). Our service is structured so that they can schedule safe and reliable transportation with trained drivers that cater to their needs.

Amos Transportation, LLC is pleased to submit this proposal for services to support your company in achieving its goals for improving customer satisfaction by providing transportation and mobility support. We are committed to offering safe, professional, and reliable services so that your staff can focus on administration as well as clinical services.

Driver Requirements

All drivers are required by the Maryland State Public Service Commission to provide the following:

- fingerprint supported state and FBI investigators record check
- possess a valid drivers' license
- pass driver history check and a criminal background check that includes a check of state and federal sex offender registries
- comply with all vehicle inspection and insurance requirements of Maryland law
- obtain a passenger-for-hire license to be displayed inside driver's vehicle when providing services
- DOT physical exam is not required
- all drivers are certified through Maryland State Public Service Commission

All requirements listed above are mandated annually.

The Objective

To offer safe, professional and reliable transportation services at a competitive rate. The issues we have identified with most companies are:

- Unpredictable transportation
- Lack of consistent 5-Star work performance
- Untrained drivers that can deal with customers with limited mobility
- Drivers that consistently provide professional service and maintain a well-groomed appearance

AMOS TRANSPORTATION, LLC BUSINESS PROPOSAL

The Opportunity

Amos Transportation, LLC currently has 7 Cadillac Escalades (4-2016 and 3- 2017).

- Goal #1: Continue to provide professional well-groomed drivers, who have been screened for criminal background and safe driving records
- Goal #2: Train drivers on how to assist an individual with limited mobility
- Goal #3: Committed to offering reliable and on-time transportation to your client's and staff
- Goal #4: Monitor rates to make sure we are offering your company the best rates

The Solution

- Amos Transportation, LLC proposes that our agency is contracted to assist with your company's transportation needs as it relates to its clients and staff. We believe that we can offer a great reliable service at an affordable competitive rate.
- Access to well-groomed professional drivers
- Train in defensive driving and limited mobility
- Reliable and On-time pick-ups and departures
- Prompt professional scheduling and administration
- Courtesy, compassionate, and dedicated staff

OUR PROPOSAL

Amos Transportation, LLC would like to propose our company as a safe, reliable, professional alternative to your current transportation methods. We are committed to providing high quality, professional, reliable, services at an affordable competitive rate.

We request from you a manifest list of travel needs 24-hour in advance of the date that services are rendered. Upon the completion of the manifest, a designated staff from Amos Transportation, LLC will review the schedule and make necessary adjustments.

Please note: If for any reason a driver finds it necessary to make changes to the manifest, he is instructed to contact Amos Transportation, LLC.

QUALIFICATIONS

Amos Transportation, LLC was formed in September of 2016. Mr. Malone's passion for driving and transporting clients safely throughout DC, MD and VA triad is the successful driving force behind the growth of Amos Transportation, LLC. The company has grown tremendously from one owner-operator to (15) fifteen 1099 contract-drivers and 7 luxury vehicles in their pro-folio in a year's time frame.

What sets apart Amos Transportation, LLC from other companies is by keeping open lines of communication between us and our clients to ensure the highest level of client satisfaction, our passion to serve our clients with predictable and reliable transportation service and quality drivers who have vast knowledge of the Baltimore and surrounding areas and trained to service clients with mobility needs.

As a company, we continually re-access our practices and make improvements where necessary in order to continue providing our clients with exceptional service.

CONCLUSION

We look forward to working with your company and supporting your efforts to improve your transportation issues, with Amos Transportation, LLC management, training and support services. We are confident that we can meet the challenges ahead, and stand ready to partner with you in delivering an effective solution.

Amos Transportation, LLC will provide all vehicles. The vehicle size will be determined by the number of passengers being transported at that time.
